

Jennifer L. Gaulden
G.E.M. – Gaulden Event Management

I have been planning events of all types and sizes for the past 17 years. My scope of events range from social gatherings - such as birthdays, dinner parties, and weddings - to corporate, sporting and entertainment events with clients such as UCLA and Pepperdine University. I have experience working with a variety of venues such as private/members only clubs, Trump National Golf Club, MountainGate Country Club, The Greek Theater, The Strand Theater, Discovery Science Center and others.

Having spent half of my life in this industry, I have collected a network of vendors and suppliers that allow me to produce a client's vision while staying within a client's budget. I have impeccable negotiation skills, organization and creativity have propelled me to greater heights of success in the event planning industry and I look forward to the next challenge with confidence and anticipation.
