Thank you for your consideration of The Protection Professionals, Inc. (TPP) as your new security company. TPP is a security management company designed to assist businesses – small and large - in the development and implementation of security specialists to address their specific needs. We have specialized in providing executive protection and security services customized to your needs for over 10 years.

Our staff is comprised of professionals who possess multiple years of security experience - utilizing highly skilled and trained security personnel. Security agents employed by TPP possess prior security experience and are selected based upon their professionalism, courtesy, appearance, quality of service and attention to detail.

TPP will like the opportunity to create and maintain a safe and secure environment for you. This objective would be accomplished by providing a highly visible and proactive security presence with armed/unarmed security officers, video surveillance operators, and other needed security personnel. TPP will secure your best interests from external security risks, as well as internal risks. We look forward to working with you. Contact us for an assessment of your specific security needs.

We are confident that you will be extremely pleased with the level of professional services provided by TPP. If you have any questions, contact us at (626) 712-5150 or contact TPP's VP of Operations at (866) 987-7010.
